Mr. Charles B. Wrightman

Dear Charlie:

Regarding our conversation the other day, I have checked on the prevailing commercial rates for the chartering of Convair and DC-3 aircraft. My people here tell me that the rate for a Convair is \$430.00 per hour or \$2.00 per nautical mile and \$160.00 per hour or \$1.00 per nautical mile for a DC-3.

It was certainly good talking to you again and Clover and I are looking forward to the trip South.

Love to Jayne.

Sincerely,

Allen W. Dallas
